

2016 Nursery & Garden Industry Structure Review Stakeholder Submission

The aim of 2016 Nursery & Garden Industry Structure Review is to assess the current structure of the nursery and garden industry in Australia to determine the most effective and cost efficient structure for the industry. The Structure Review Committee will conduct a broad ranging, whole of industry review and make recommendations for the future.

The review is being conducted by an independent committee which has been tasked to review the bodies representing growers, retailers and suppliers in the industry. The Committee is made up of industry members and operate in cooperation with but without the interference or influence of existing bodies. The Committee profiles and Terms of Reference under which they operate are available at www.ngia.com.au. Please review the terms of reference before completing this submission.

All submissions will be viewed by the Committee. Individual responses will not be provided however a list of contributors will be included in the final report.

Submissions and supporting material should be submitted to structurereview@ngia.com.au by Sunday 31 July 2016.

If you have any questions regarding the submission process, please contact Kobie Keenan on (02) 8861 5112 or email kobie.keenan@ngia.com.au with your enquiries.
